Logic Planet CS Inc was awarded with GSA contract # GS-35F-297DA on May 3,2016

In addition to the many individual contracts signed with its clients, Logic Planet CS Inc products and services are also available for purchase through our GSA Contracts. These contracts confirm LPCS as an approved vendor enabling buyers from federal, state and local agencies to quickly and efficiently procure products and services. Specifically, our **Schedule Contract #GS-35F-297DA** qualifies us to provide technical assistance and services for Information Technology (General Purpose Commercial IT Equipment, Software, and Services).

Excellence in the Business of Government

GSA provides workplaces by constructing, managing, and preserving government buildings and by leasing and managing commercial real estate. GSA's acquisition solutions offer private sector professional services, equipment, supplies, and IT to government organizations and the military. GSA also promotes management best practices and efficient government operations through the development of government wide policies.

Benefits of Ordering Through the GSA Schedule

- Ease of ordering
- Discount volume pricing
- FedBizOpps (FBO.gov) synopsis is not required
- GSA Schedule pricing is pre-determined by GSA to be fair and reasonable
- All applicable regulations and competition requirements, including FAR & Competition in Contracting Act have been met
- Save time & money: Schedule orders average 15 days while open-market procurement averages 268 days
- Easy payment options: GSA SmartPay®, is accepted for all Schedule orders under \$3,000
- No order limitations: Customers can place an order for any dollar amount
- Orders placed under the Schedules program can count towards an agency's socioeconomic goals and accomplishments

- Flexible Pricing: Customers are free to request price reductions beyond discounted Schedule prices
- Expedited Delivery: Available in many cases and items can frequently be delivered overnight or within two days
- Skill Pool: Contractor Team Arrangements allow agencies to customize solutions from a vast skill pool
- Control of procurement process: Ordering activity maintains a direct relationship with the contract service provider; GSA is not involved in the process except to initially establish the Schedules Contract
- Quality Purchases: Customers have access to state-of-the-art technology and quality services and supplies
- Environmental Compliance: Orders placed under the GSA Schedules provide compliance with environmental requirements for application services and products
